

Dina Barros BSc (Arch) B Arch (Hons)

Dina became a sole practitioner providing interior design services in July 2000.

She was Interior Design Manager with Brewster Murray Architects and Interiors from 1995-2000 and worked in Architecture & Interiors since she joined the firm in 1986.

Previously she worked in Sydney for Frank Kolos Architects, Peter Sarlos Architects, Hoffer Reid & Coombes Architects and in Lisbon for Paiva Lopes Arquitectura.

Dina has a wide experience in architecture and interior design. She is experienced in space planning and design development of corporate and residential interiors. As a specifier, she also has a vast knowledge of building products. Dina has documented and administered to completion many interior fitouts for a variety of different end uses including retail, corporate, communications, residential and hospitality.
